Presidents Message

Hello members there was a very unsettling incidence of abuse against another member at our September general meeting.

The committee has been discussing how to address this incident to ensure that all members are treated with respect and feel safe at all times.

I think that we need to be always mindful of the following common courtesies.

Be kind and courteous to everyone. Strive to create a welcoming environment for everyone.

Treat everyone with respect. Make sure everyone feels safe.

GLADSTONE COACH TOUR

Without a doubt a great weekend away, a big pat on the back for Ron Murray who organised the event.

We were in very good hands with Jo our driver who seems to handle the manoeuvring of the Coach with great ease especially when in a confined spot.

Ralf passed around some laminated sheets with humorous jokes and was forbidden to recite his BBQ song, may be the next time.

Our accommodation was at "The Precinct" in Gladstone. Both accommodation, evening meal and breakfast all in the one place, couldn't be faulted.

Time for some Humour

On my Seniors application form, when it says who to contact in an emergency I always put, Ambulance, Police or Fire Brigade. I mean what's my mother going to do?

I trained my dog to fetch a beer.
It may not sound too impressive but he gets it from my neighbours fridge.

I just got pulled over by a cop. He asked if I had a police record.
Apparently "Roxanne" was not the answer he wanted to hear.

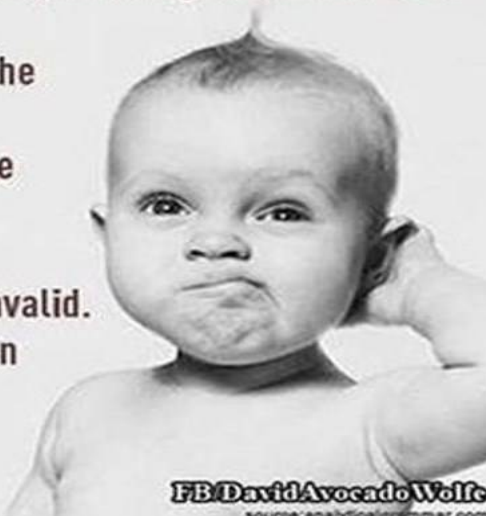

Humour Continued

ENGLISH IS HARD

1. The bandage was wound around the wound.
2. The farm was used to produce produce.
3. The dump was so full that it had to refuse more refuse.
4. We must polish the Polish furniture.
5. He could lead if he would get the lead out.
6. The soldier decided to desert his dessert in the desert.
7. Since there is no time like the present, he thought it was time to present the present.
8. A bass was painted on the head of the bass drum.
9. When shot at, the dove dove into the bushes.
10. I did not object to the object.
11. The insurance was invalid for the invalid.
12. There was a row among the oarsmen about how to row.
13. They were too close to the door to close it.
